10 Plaintiff,

11 v.

12 JACK WARNER,

13 Defendant.  
14

Case No. C17-1007RSL

ORDER

15 This matter comes before the Court on plaintiff's objections, Dkt. # 27, to the Report and  
16 Recommendation (R&R) by the Honorable James P. Donohue, Dkt. # 22. The R&R  
17 recommended denying two of plaintiff's motions and stated that objections should be filed no  
18 later than November 22, 2017. Dkt. # 22 at 22. On December 13, 2017, the Court approved and  
19 adopted the R&R and denied plaintiff's motions. Dkt. # 25. On December 21, 2017, plaintiff  
20 filed a letter stating: "You should have been the better. I do not agree with the Report biased  
21 Recommendation. I want stop of the actions. I agree with our President Donald Trump you and  
22 alleged court of civil rights is significant cost burden. I wanted equal chance[.]" Dkt. # 27.  
23 (mistakes in original). Construing the points in plaintiff's letter as objections to the R&R, those  
24 objections are untimely because the letter was filed after November 22, 2017. In addition, the  
25 letter would not have changed the Court's decision to approve and adopt the R&R and to deny  
26 plaintiff's motions. Insofar as plaintiff intended the letter to be a Rule 60 motion for relief from  
27 the Court's previously entered order, that motion is DENIED.
